## EDITORIAL

The workshop that we held on the 8<sup>th</sup> of feb was called “An experience Sharing Workshop”. Many of our young student Consumer Club members participated in our workshop. This really gave a ‘fillip’ to the entire proceedings, which can usually be a quite a boring exercise. However this time round we had very smart colorful presentations by students, skits and actualization. Lot of exchange of ideas took place between Consumer Club Incharge as well. CWF ministry came in full force, led by the Joint Secretary, Mrs Jayashree Gupta, Mr Meena and Shivani Dutt.

The venue was Kamla Nehru College, which opened another new dimension to our work on consumer clubs because I inaugurated the 1st Consumer Club in any of the university colleges. We actually stretched our exchange portfolio between college and school students as well.
