

FSSAI -CHIFSS - VOICE WEBINAR “Best Practices for Consumers during COVID 19 on Health Protection and Food Safety”

(14.05.2020 | 1100-1330HRS)

COVID 19 has taken over our lives like never before since March 2020. Food Manufacturing, Hospitality, Catering, wholesale, retail, E-commerce and our lives at home have been heavily impacted.

Attributes of Food Safety i.e. Purchasing, handling, cleaning, storage and preparation of food, besides physical distancing, cleaning and sanitation in our daily lives all require a great deal of understanding and precaution even more so today.

CHIFSS in partnership with FSSAI and Consumer VOICE is organizing this Webinar which will benefit consumers by sensitizing them about possible virus exposure and cross infection through their daily activities and food handling, and how to ensure protection of health and food safety during the pandemic.

Program Goals

Enhance the knowledge to prevent and combat the spread of COVID-19

Guide participants to obtain an understanding of Norms and Best Practices related to Personal Hygiene and Food Safety

ADVANTAGES OF THE PROGRAM

This program will help consumers to develop an understanding of COVID 19, sources of cross infection and best practices in conducting daily activities, Food handling and Safety measures during the pandemic.
